EDUCATION FOUNDATION

2020-2021 SCHOOL YEAR

# WHO WE ARE

## A letter from our Board Chair and Executive Director

As the impact of the pandemic evolved during the 2020-21 school year, the strength of our community was revealed. Naperville 203 teachers and staff reacted creatively and flexibly in a rapidly changing learning environment. Students built resilience during a year with many changes. The needs of those in our community most vulnerable to the impact of this virus increased. Needs changed and you were there to support students when they needed it the most, allowing NEF the flexibility to be able to help students at every turn. For that, we are incredibly grateful.

NEF would not be where we are today without the brilliant, strong and compassionate leadership of our Immediate Past Board Chair, Kitty Ryan. Because of her passion for the foundation and student learning, we were able to successfully navigate a difficult time and provide much needed resources and assistance for students.

We continue to be thankful for your generosity and unwavering support of the students of Naperville 203. On behalf of our dedicated and talented Board, we THANK YOU.

## Providing support to students and families when they need it the most.

Student and family needs evolved during a school year filled with virtual, hybrid and in-person learning. Kid Booster Anonymous helped students in time of need, as it always has. Naperville 203 social workers and counselors identify at-risk students in need of support for educational, physical or social-emotional growth. When no other avenues of funding within the family and community exist, staff reach out to NEF. **Thanks to your generosity, the program continues to be a safety net for our students.**

The Kid Booster Crisis Fund, created as part of Kid Booster Anonymous, met increased and immediate needs for the families in our community most vulnerable to the overall impact of the virus. Both funds support the most at-risk students in our community, including the 17% of Naperville 203's 16,100 students who qualify for free and reduced lunch, and the 1% of our students who are homeless.

\$99,553

in assistance  
provided

"This is going to have a tremendous impact on this family.  
Words can't express my appreciation!"

-Principal

"You do so much in coordinating and supporting  
our students. I so appreciate teaming with NEF!"

-Social Worker

Your gifts provided for rent, transportation, childcare, counseling, basic needs, and winter coats through **Kid Booster Anonymous** and the **Kid Booster Crisis Fund**. As just one example of your generosity, you met the need for a 400% increase in the number of winter coats needed for students within 72 hours of a request going out.

# BRINGING GREAT IDEAS TO LIFE

\$19,775  
awarded

Express Grants provided a monthly opportunity for up to \$1,000 in funding for ideas implemented in the current school year. When those great ideas appear, your contributions make them possible.

Naperville Community Unit School District

## Fostering Entrepreneurship in High School

NEF is proud to partner with Naperville 203 in this authentic learning experience at both high schools. Since INCubatoredu began in Naperville 203, NEF along with amazing community support, has awarded over \$50,000 to help student business teams take their ideas to the next level of implementation. Your support is helping Naperville 203 student teams actualize their businesses.

# SUPPORTING EACH SCHOOL'S UNIQUE COMMUNITY

## NEF SCHOOL APPRECIATION GRANTS

\$23,000  
distributed

Each of the district's 22 schools and the Connections transition program receives an annual \$1,000 School Appreciation Grant thanks to your contributions. These discretionary funds support each school community's unique needs. These flexible funds took on particular importance in an unpredictable year with shifting and changing community needs.

## NEF BEFORE & AFTER SCHOOL PROGRAMS

\$30,000  
distributed

Before and After School Programs help schools extend learning past the school bell, providing the schools with flexibility to tailor programs to their community's specific needs. In a school year where much of the year was spent learning from home, Before and After School Programs looked different than in years past. Programs moved online, providing virtual experiences for students. With your support, schools were able to offer innovative programs ranging from virtual tutoring to online STEM clubs, aiding students while also providing them with opportunities for additional social connection.

# INVESTING IN OUR STUDENTS' FUTURE

\$111,817  
distributed

## Scholarships & Endowments

Scholarships ranging from \$500 to \$7,500 are awarded each year to graduating seniors from Naperville North and Naperville Central High Schools. Individual and organizational contributions and established endowment funds make students' dreams of furthering their education possible.

# BRINGING OUR COMMUNITY TOGETHER

## TEAM NEF took a virtual turn in 2020.

More than 200 parents, teachers, staff, community members, alumni and students participated as charity heroes in the virtual *Healthy Driven* Naperville Half Marathon or 5K. In October, TEAM NEF members took to the streets, parks and paths, completing their virtual runs and walks at the time and place of their choice. Each participant committed to raise at least \$203. Half of the funds raised went directly to the Naperville 203 school of their choice, and half to support district-wide NEF-funded programs.

## Thank you to our Sponsors

Bill & Nancy Mitchell

"I have seen firsthand how TEAM NEF relentlessly works to directly help our most at-risk students, including those in my own classroom."

- Naperville 203 Staff

"In these crazy times, I know our schools and students need us more than ever. Thanks for helping me do some good!"

- Parent and Home & School President

"Although I am not a runner, I have set this personal goal for myself to achieve something I didn't think would be possible. I'm hoping that I can show myself and my students what it means to persevere, even when something is challenging."

- Naperville 203 Staff

# HIGH FIVE

Thank you for giving a "HIGH FIVE" to Naperville 203 staff by making donations in honor of social workers, counselors, and teachers during their respective national appreciation weeks.

"During this pandemic and having to teach both virtually and in person, she has found a way to reach all students. She even managed to bring in volunteers virtually to help. Truly an amazing teacher."  
- High Five Donor

Teachers reimagined student connections and interactions, facilitated learning in a rapidly evolving environment, learned new tools and processes, and so much more.

Thank you to BMO Harris Bank for matching the first \$5,000 in support of teachers.

The already challenging jobs of social workers and counselors were amplified, showing even more clearly how important their role in the school community is. We saw staff think outside of the box and persevere with creativity and genuine caring to help our students and their families during a time of so much uncertainty for so many.

Thank you to *Healthy Driven* Linden Oaks Behavioral Health for matching the first \$2,500 in support of social workers and counselors.

*"Like many families, we moved to Naperville in 1990 because of the educational opportunities and community. And, we have never regretted our decision! The Naperville Education Foundation has stepped up to support the District 203 community, including students, staff and families, in many ways and exemplifies the generosity of our community in gifts of time, talent and treasure. NEF supports our passion for quality education and our belief that change starts with individuals and a vision!"*

# CENTS FOR KIDS

**Thank you to the following Naperville 203 staff members** who chose to make an even greater difference in students lives by donating a portion of their paycheck in the Cents for Kids payroll deduction program.

*"I give to NEF in whatever way I can, whenever I can. NEF provides such amazing educational opportunities for our students through their grant programs, that I can't help but want to support them in return. The Cents for Kids program makes it so easy to donate. While that small amount means very little to me, when combined with everyone else's pennies, it can be a very generous donation overall from all of us. Collectively, we can make a huge difference for our students through Cents for Kids. I'm proud to support NEF and the Cents for Kids Program."*

**- Colleen Cannon-Ruffo, Ph.D.  
Project Manager for Learning Services**

Founded in 1992, the Naperville Education Foundation (NEF) makes a profound difference in the lives of our students by funding programs that fall outside of Naperville 203's tax-supported budget.

NEF encourages creativity, innovation, and excellence in our students by helping to ensure that every student in the district can take advantage of opportunities to make the most of their education.
