Naperville Education Foundation Announces 30th Annual Building a Passion Breakfast

The Naperville Education Foundation (NEF) is pleased to announce the 30th Annual Building a Passion Breakfast fundraiser on Wednesday, March 22, 2023. The event will be held from 7:00 am to 9:00 am at the Embassy Suites located at 1823 Abriter Court, Naperville, Illinois.

Join 300+ attendees, including business, community and elected leaders, district leadership, parents and members of the community to network, enjoy a breakfast program together, and have the opportunity to show your support. The morning will feature art and entertainment by Naperville 203 students as you experience how your gifts to NEF unlock the door to opportunities for students.

Individual reservations are available for \$80. Event sponsorships range from \$500 to \$2500. Sponsorships and tickets are available at <https://nef203.org/events-news/buildingapassion.html>

A unique Silver Key sponsorship, available for \$750, allows Naperville area realtors and other businesses to unlock doors to opportunities for students by sponsoring one of 23 doors that will be on display at the breakfast as part of a student art installation. Each door, decorated by students, will represent their unique Naperville 203 school. Silver Key sponsors have the opportunity to compete to raise the most funds to support the students of Naperville 203 with recognition as top fundraiser at the breakfast and the opportunity to designate the funds raised to the NEF program of their choice. More details are available at: <https://nef203.org/events-news/bap-silver-key.html>

Reservations, sponsorships and donations support NEF-funded programs. Express and Annual Grants bring great student and teacher ideas to life. Kid Booster Anonymous and RISE both remove barriers to learning for students who are in-need or at-risk by providing individualized assistance for students and wraparound family-focused support. Funds also enrich each school's unique community with Before and After School Program funding, annual School Appreciation Grants, and by funding the materials and coaches' stipends for FIRST LEGO robotics teams at all 14 elementary and 5 junior high schools.

All are encouraged to attend to learn about NEF and support the students of Naperville 203.

The Naperville Education Foundation is Naperville 203's philanthropic fundraising arm. NEF raises and grants funds for programs that enhance and enrich the educational experience of Naperville School District 203 students. With the generous support of foundations, businesses, educational professionals, and individual donors, NEF is able to provide financial resources that increase learning opportunities by supplementing school district budgets. NEF encourages creativity, innovation, and excellence in our students by helping to ensure that every student in the district can take advantage of opportunities to make the most of their education. For more information on NEF, go to www.nef203.org.
