A note from our Board Chair and Executive Director

It is with gratitude in our hearts that we share the difference YOU make. This truly is a time like no other. Thanks to you, NEF is able to meet the unique needs of this unique time while remaining true to its mission of funding innovative and creative programs for students.

As you read this report, we know you'll feel proud of all that your generosity has made possible, especially providing support to students and families at a time when it really counts. Thank you for caring so much about the students of Naperville 203.

Removing Barriers to Learning

The **Kid Booster Crisis Fund** is an emergency fund created to provide immediate access to financial assistance for students and families impacted by COVID-19. You asked for a way to help Naperville 203 students and their families. NEF heard you and together we found a way.

Created in March 2020, the crisis fund directly helps our most at-risk students, including the 15% of Naperville 203's 16,500 students who qualify for free and reduced lunch, and the nearly 1% of students who are homeless. These are the families in our community who are most vulnerable to the overall impact of this virus.

"The best in humanity is truly shining during this uncertain moment in time and my heart is so full!"

— Kid Booster Crisis Fund Recipient

782 Donors

Assisted 105 families

\$200,848 Raised

Provided 64 gift cards for basic needs & transportation

Helped 70 families with housing costs

Provided 942 evening & weekend meals

The crisis fund is a part of the **Kid Booster Anonymous Fund**, est. in 1996 to help at-risk Naperville 203 students. The fund supports students' specific and unique educational, physical or social emotional needs as identified by Naperville 203 social workers and staff. In 2019-20, \$27,281 allowed students to attend counseling or participate in school activities. The fund provides a timely response and the "missing link" under circumstances where there is no known family, district, or community system or structure to address the need.

"I am at a loss for words to describe my gratitude and appreciation for all you've done to help not just me, but my girls as well."

— Kid Booster Crisis Fund Recipient

Supporting Each School's Unique Community

\$87,000 Funded

Before & After School Programs

Before and After School Program funding extends learning beyond the school bell while giving each school the flexibility to tailor a program to their community's specific needs. Homework or math clubs, supervised study time, or FIRST LEGO League team experiences are just a few examples of programs that you made possible.

In partnership with Naperville 203, you supported the Inaugural FIRST LEGO League District Competition. Three hundred elementary students came together to show off all they learned about coding and, more importantly, teamwork.

**\$23,000
Awarded**

School Appreciation Grants

All 22 schools and the Connections transition program receive an annual \$1,000 School Appreciation Grant. Your contributions provide these discretionary funds to support each school community's unique needs.

Bringing Our Community Together

TEAM NEF 2019 is a group of parents, teachers, staff, community members, businesses, alumni and students who participated as charity heroes in the Healthy Driven Naperville Half Marathon or 5K on Oct 20, 2019, raising funds and awareness for NEF and the schools of Naperville 203. Each TEAM NEF 2019 member committed to raise at least \$203. Members chose to have half of the funds raised designated to a Naperville 203 school of their choice or 100% of the funds to NEF.

"This is my second year running for TEAM NEF. As a pediatrician in Naperville, so many of my patients along with my own 3 children benefit greatly from the extra programs and services that NEF provides for our students."

— Brooke Scherer TEAM NEF Runner and Parent

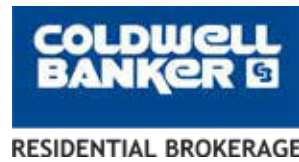

"I think it's really important to not only be a teacher here but also be a community member and give back. It's not just you that is out there on the course, it's a sea of blue that's out there supporting Naperville 203."

"I give to NEF because I have had the privilege of seeing firsthand the impact of NEF's support on the Naperville 203 students. No matter the age-level or areas of passion... art, music, fitness, robotics, STEM, business, math, science, literacy, history, etc., NEF has provided support to enhance the learning opportunities for our students."

EDUCATION FOUNDATION

Founded in 1992, the Naperville Education Foundation (NEF) makes a profound difference in the lives of our students by funding programs that fall outside of Naperville 203's tax-supported budget.

NEF encourages creativity, innovation and excellence in Naperville 203 students by helping to ensure that every student in the district can take advantage of opportunities to make the most of their education.
