

If 10 employees each **DONATE \$1** from every paycheck, NEF can provide **SEED MONEY TO A STUDENT- OR TEACHER-WRITTEN GRANT**

If 10 employees **DONATE \$5** from every paycheck, NEF can pay for **HALF OF A STUDY SKILLS PROGRAM** budget at one of our junior high schools

Join Cents for Kids and change students' lives.

You already make a difference for the students of Naperville 203 through your daily work as a District employee. With your generosity, the Naperville Education Foundation can help you make an even greater impact.

Donate a portion of each paycheck to NEF and support district-wide programs that enrich classroom experiences, enhance educational opportunities, and provide missing essentials to students in need.

Please join the hundreds of other D203 employees who are committed to supporting students and sign up for Cents for Kids by filling out and returning the form below or by signing up at www.nef203.org/how-you-can-help/cents-for-kids.

If 10 employees **DONATE \$2** from every paycheck, NEF can cover **8 COUNSELING SESSIONS FOR AN AT-RISK CHILD** through the Kid Booster Anonymous Fund

Naperville Education Foundation

Founded in 1992, NEF's mission is "to encourage creativity, innovation and excellence in our students." We act as the philanthropic fundraising and grant-making arm of the district. NEF is a 501(c)(3) nonprofit organization governed by a volunteer Board of Trustees and supported by members of our community. Through individual and corporate contributions, annual fundraising events, Check the Box (donations during parent registration), Cents for Kids, and community grants we are able to provide the funding for on-going programs and services to District 203.

Kid Booster Anonymous Fund

At-risk students receive financial assistance to meet unique educational, physical or social-emotional needs.

Study Skills Academy

Before/after school programs in 21 schools give students a boost with homework and learning strategies.

Annual Grant Awards

Grants support innovative and creative projects that stimulate student engagement. Projects are proposed by teachers, students and parents.

Business Incubator

NEF serves as the fiscal agent for Business Incubator, facilitating philanthropic support for entrepreneurial education in both high schools.

Start the Day

This elementary school program ensures all of our young students begin their day with breakfast and are ready to learn.

Trustee Award

All school principals receive \$1,000 in discretionary funding every year.
